It is near where Hammersmith and City line trains run. You follow the signs to Little Venice which means going by the canal with the canal to your right. You follow that path for a couple of hundred metres and in front of you will be a road bridge. You go under and about fifty metres further on there will be a gate and some steps. Go up and turn immediately left and CCPE is a six storey cream building on your left.

Alternative tube station: Warwick Avenue (Bakerloo line) Take left hand exit at top of escalator which brings you out on the right hand side of the road facing uphill with the church behind you. Walk straight uphill, cross over the traffic lights, follow bridge over canal, pass Rembrandt Gardens, road bends to right, keep walking alongside the gardens, crossing over the canal again.

The Centre is the large magnolia coloured, 5 storey building on canal, only building on this side, on corner of Harrow Road and Warwick Crescent - flyover is on your left. The front door is round the corner in Warwick Crescent (keep on the same pavement all the time).

Bus numbers 6 and 46 stop at corner of Clifton Gardens/Warwick Avenue. Warwick Avenue tube station is nearby. Follow directions as above, keeping the church behind you.

Bus numbers 16 and 96 stop across from the Fire Station on Edgware Road, just before the canal. Walk towards the canal, turn left into Malda Avenue, immediately before the canal, walk down to the end of the road, turn left onto Warwick Avenue.
